

Adult Family Home Disclosure of Services Required by RCW 70.128.280

HOME / PROVIDER	LICENSE NUMBER
The Berg's Adult Family Home/Phoebe Berg (Provider)	682900

NOTE: The term "the home" refers to the adult family home / provider listed above.

The scope of care, services, and activities listed on this form may not reflect all required care and services the home must provide. The home may not be able to provide services beyond those disclosed on this form, unless the needs can be met through "reasonable accommodations." The home may also need to reduce the level of care they are able to provide based on the needs of the residents already in the home. For more information on reasonable accommodations and the regulations for adult family homes, see Chapter 388-76 of Washington Administrative Code.

Medication Services

If the home admits residents who need medication assistance or medication administration services by a legally authorized person, the home must have systems in place to ensure the services provided meet the medication needs of

each resident and meet all laws and rules relating to medications. (WAC 388-76-10430)
The type and amount of medication assistance provided by the home is:
We have a designated Pharmacy (Pavillion Home Care Pharmacy) who supplies all medications unless resident has other means. Provider will monitor and record into MAR (Medication Assistance Record) of all the residents medications taken daily. Provider will store all medications in a safe place, follow instructions as directed by attending Doctor and handle/offer daily medications as well as needed medications including eye/ear drops, creams, inhalers, sprays and syrups, etc.
ADDITIONAL COMMENTS REGARDING MEDICATION SERVICES
All residents shall be in medication compliance as directed by their attending Physician.
Skilled Nursing Services and Nurse Delegation
If the home identifies that a resident has a need for nursing care and the home is not able to provide the care per chapter 18.79 RCW, the home must contract with a nurse currently licensed in the state of Washington to provide the nursing care and service, or hire or contract with a nurse to provide nurse delegation. (WAC 388-76-10405)
The home provides the following skilled nursing services:
We have contracted with a licensed nurse in the State of Washington to provide nurse delegation.
